# HARDSCRABBLE

The four years you spend in high school pass very quickly. Yet during this time many events occur to influence your thinking, develop your personality, and help you decide your future. Many of these events you will want to remember.

This, the 1961 Hardscrabble, is your book. It represents your school, your activities, your organizations, and you. In its entirety, this year's Hardscrabble contains a "Sea of Memories," intended to help you remember the 1960-61 school year in the years to come.

## *In Memoriam*

MR. RALPH EDWARDS

Everyone who knew Mr. Edwards will remember him as a friend. He was a respected leader among the members of his profession. Students were inspired by his genuine interest in them and his sincere desire to be of service. People will long remember his contribution to the school and religious life of our community.

MR. JOHN GLOWICKI

Some knew him only as the familiar face of a man who was quiet and hardworking. To others he was simply "John," the first floor janitor. But to those who were fortunate enough to know John Glowicki, knew a man they will never forget; John was not an ordinary person. Few ever worked so tirelessly for others and then actually shied from praise and gratitude. Few ever felt such great pride for the students yet remained quietly in the background, not wanting to interfere with that moment of achievement. Few ever complained so little, gave so much or lived so genuinely. John Glowicki gave more and meant more to SHS than most people will ever know.

# *Courses at SHS*

## AGRICULTURE

The purpose of the Agricultural Department is to give future farmers a better understanding of their later careers. In Agriculture I, different farm enterprises are discussed to assist the boys in selecting a project for their own home farm program. Agriculture II, III, and IV provide an analysis of these projects and help the students decide what can be done to improve their projects.

## BUSINESS (Clerical)

The business student is required to take General Business his freshman year. This gives him a general understanding of fundamentals, principles, and practices. Then the students interested in the clerical phase proceed with Business Arithmetic, Bookkeeping I and II, Type (if desired), and Merchandising. Economics and Business Law may also be included in this program.

### BUSINESS (Secretarial)

As stated previously, General Business is required for all business students. Following this course, a student interested in the secretarial phase of business will take subjects such as Typewriting I and II, Shorthand I and II, and Bookkeeping I and II.

### COLLEGE PREPARATORY

Latin, pictured at the left, is one of the numerous courses offered to students who plan to go on to higher education after graduation. Other subjects may include French, Spanish, various phases of science (general science, biology, chemistry, and physics), mathematics (Algebra I and II, geometry, plane and solid, and trigonometry), history (world and United States), social studies, American problems, geography, world literature, English literature, journalism, English I, II, and III, and rhetoric.

### HOME ECONOMICS

A girl's future role as a wife, homemaker, and mother is stressed in Home Economics. Progressive courses in cooking and sewing are covered in Home Economics I, II, and III. Family living, which is equivalent to Home Economics IV, is available to all senior girls at SHS.

### INDUSTRIAL ARTS

An opening course is offered as an introduction to industrial arts. This course consists of one complete semester in drafting, graphic arts, metalwork, and woodwork. In this way a student is familiarized with the fundamentals of each phase so that he will be better qualified to choose his particular interest. As a junior and a senior, a student may take Drawing I and II, Graphic Arts I and II, Woodshop I and II, or vocational machine shop.

# Activities

## PRODUCTIONS

Two of the principal productions at SHS presented each year are the all-school plays. Other productions include the Student Talent Show, the speech contest play, and the Hardscrabble skit (pictured at the right) which is presented at the beginning of each school year to help publicize the selling of the annual year-book.

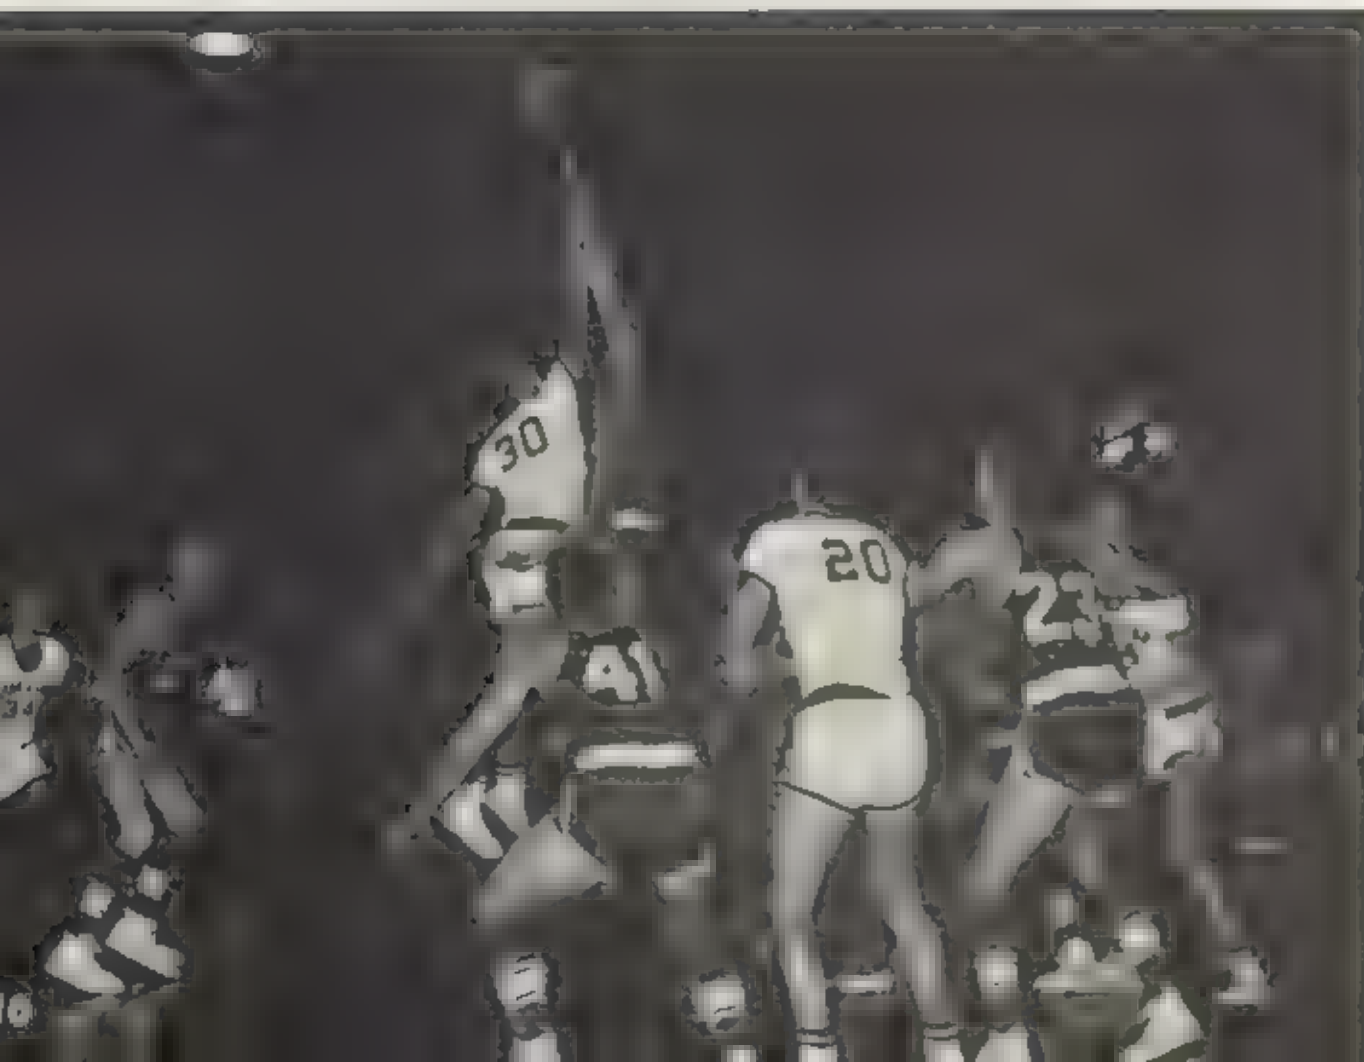

## MUSIC

An active part of student life at SHS is the Music Department, which consists of the Concert Band for more advanced musicians, the Prep Band for beginners, the Girls' Chorus, and the A Cappella Choir, made up of selected students. Playing at basketball games (pictured at the left) is one of the numerous activities of the Concert Band. This year the Music Department will play host to the District Music Contest.

## PUBLICATIONS

The *Review*, our school newspaper, is edited by the senior journalism class. Students may subscribe and receive a copy twice a month. The *Hardscrabble* our annual yearbook is planned and written by a staff consisting of seniors chosen by their English teachers. Students purchase the *Hardscrabble* at the beginning of the year and receive the book in May.

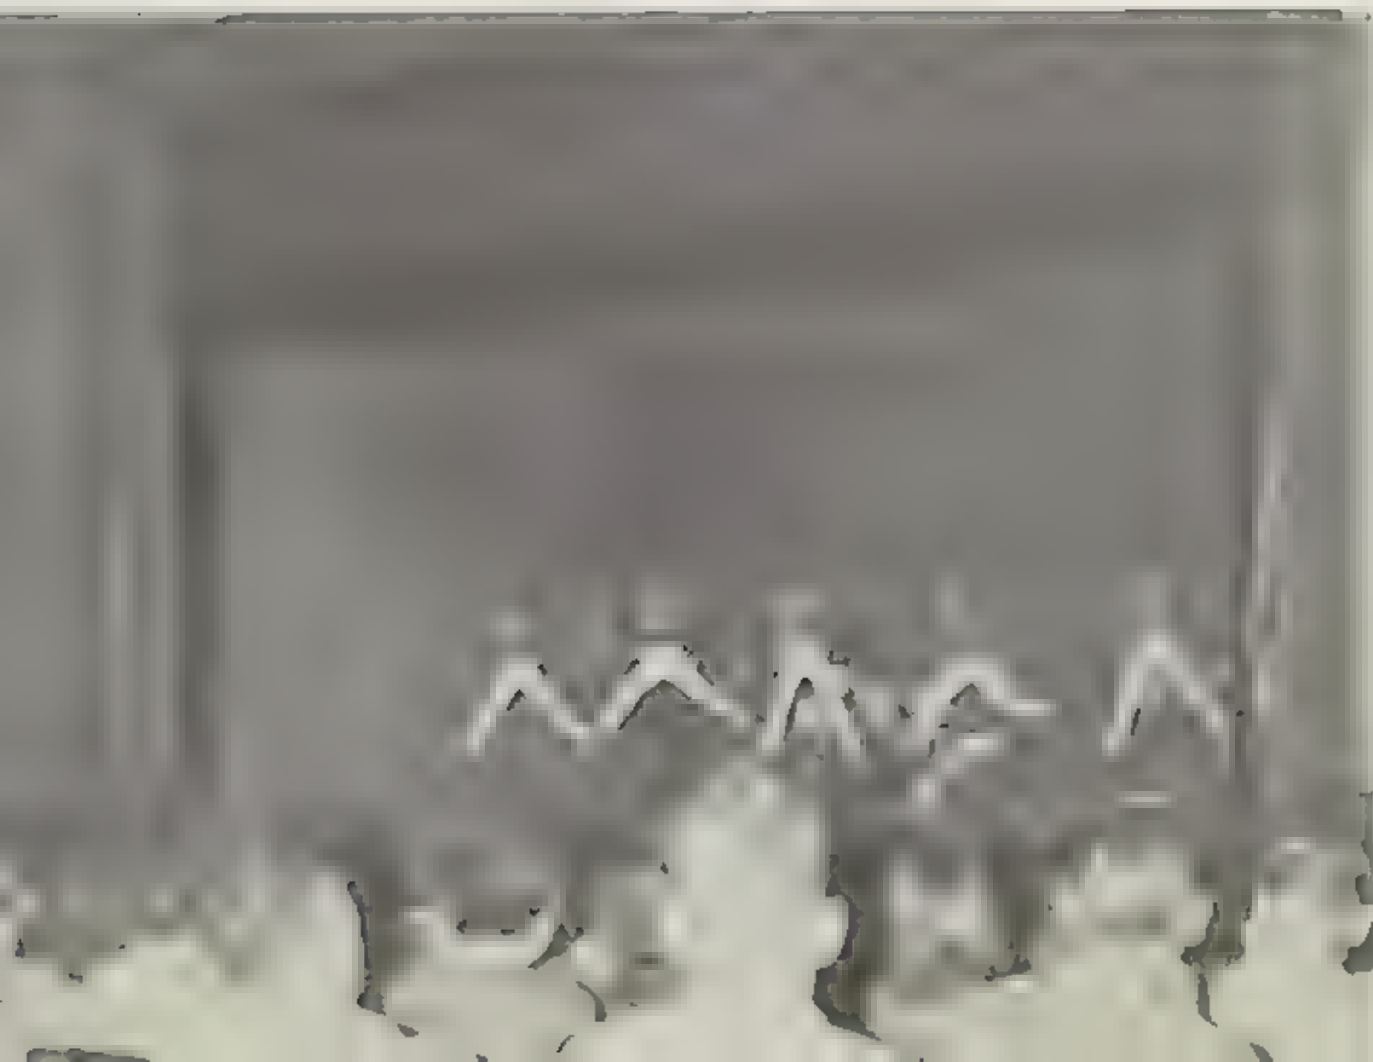

## ATHLETICS

Any boy may participate in the nine interscholastic sports sponsored by S.H.S. They are football, cross country, basketball, wrestling, swimming, track, baseball, tennis, and golf. Awards are given in each sport according to age and achievement. Students are encouraged to attend the sports events and support the S.H.S. teams.

### AUDITORIUMS

In order to provide education and recognition for the students of S.H.S., programs are presented at school assemblies. The speaker pictured at right had recently returned from the U.S.S.R. and recalled experiences of his travels for the students. Other auditoriums included a speaker on Australia, a Christmas program provided by the Music and Dramatics Departments, sports awards, and an auditorium concerning science.

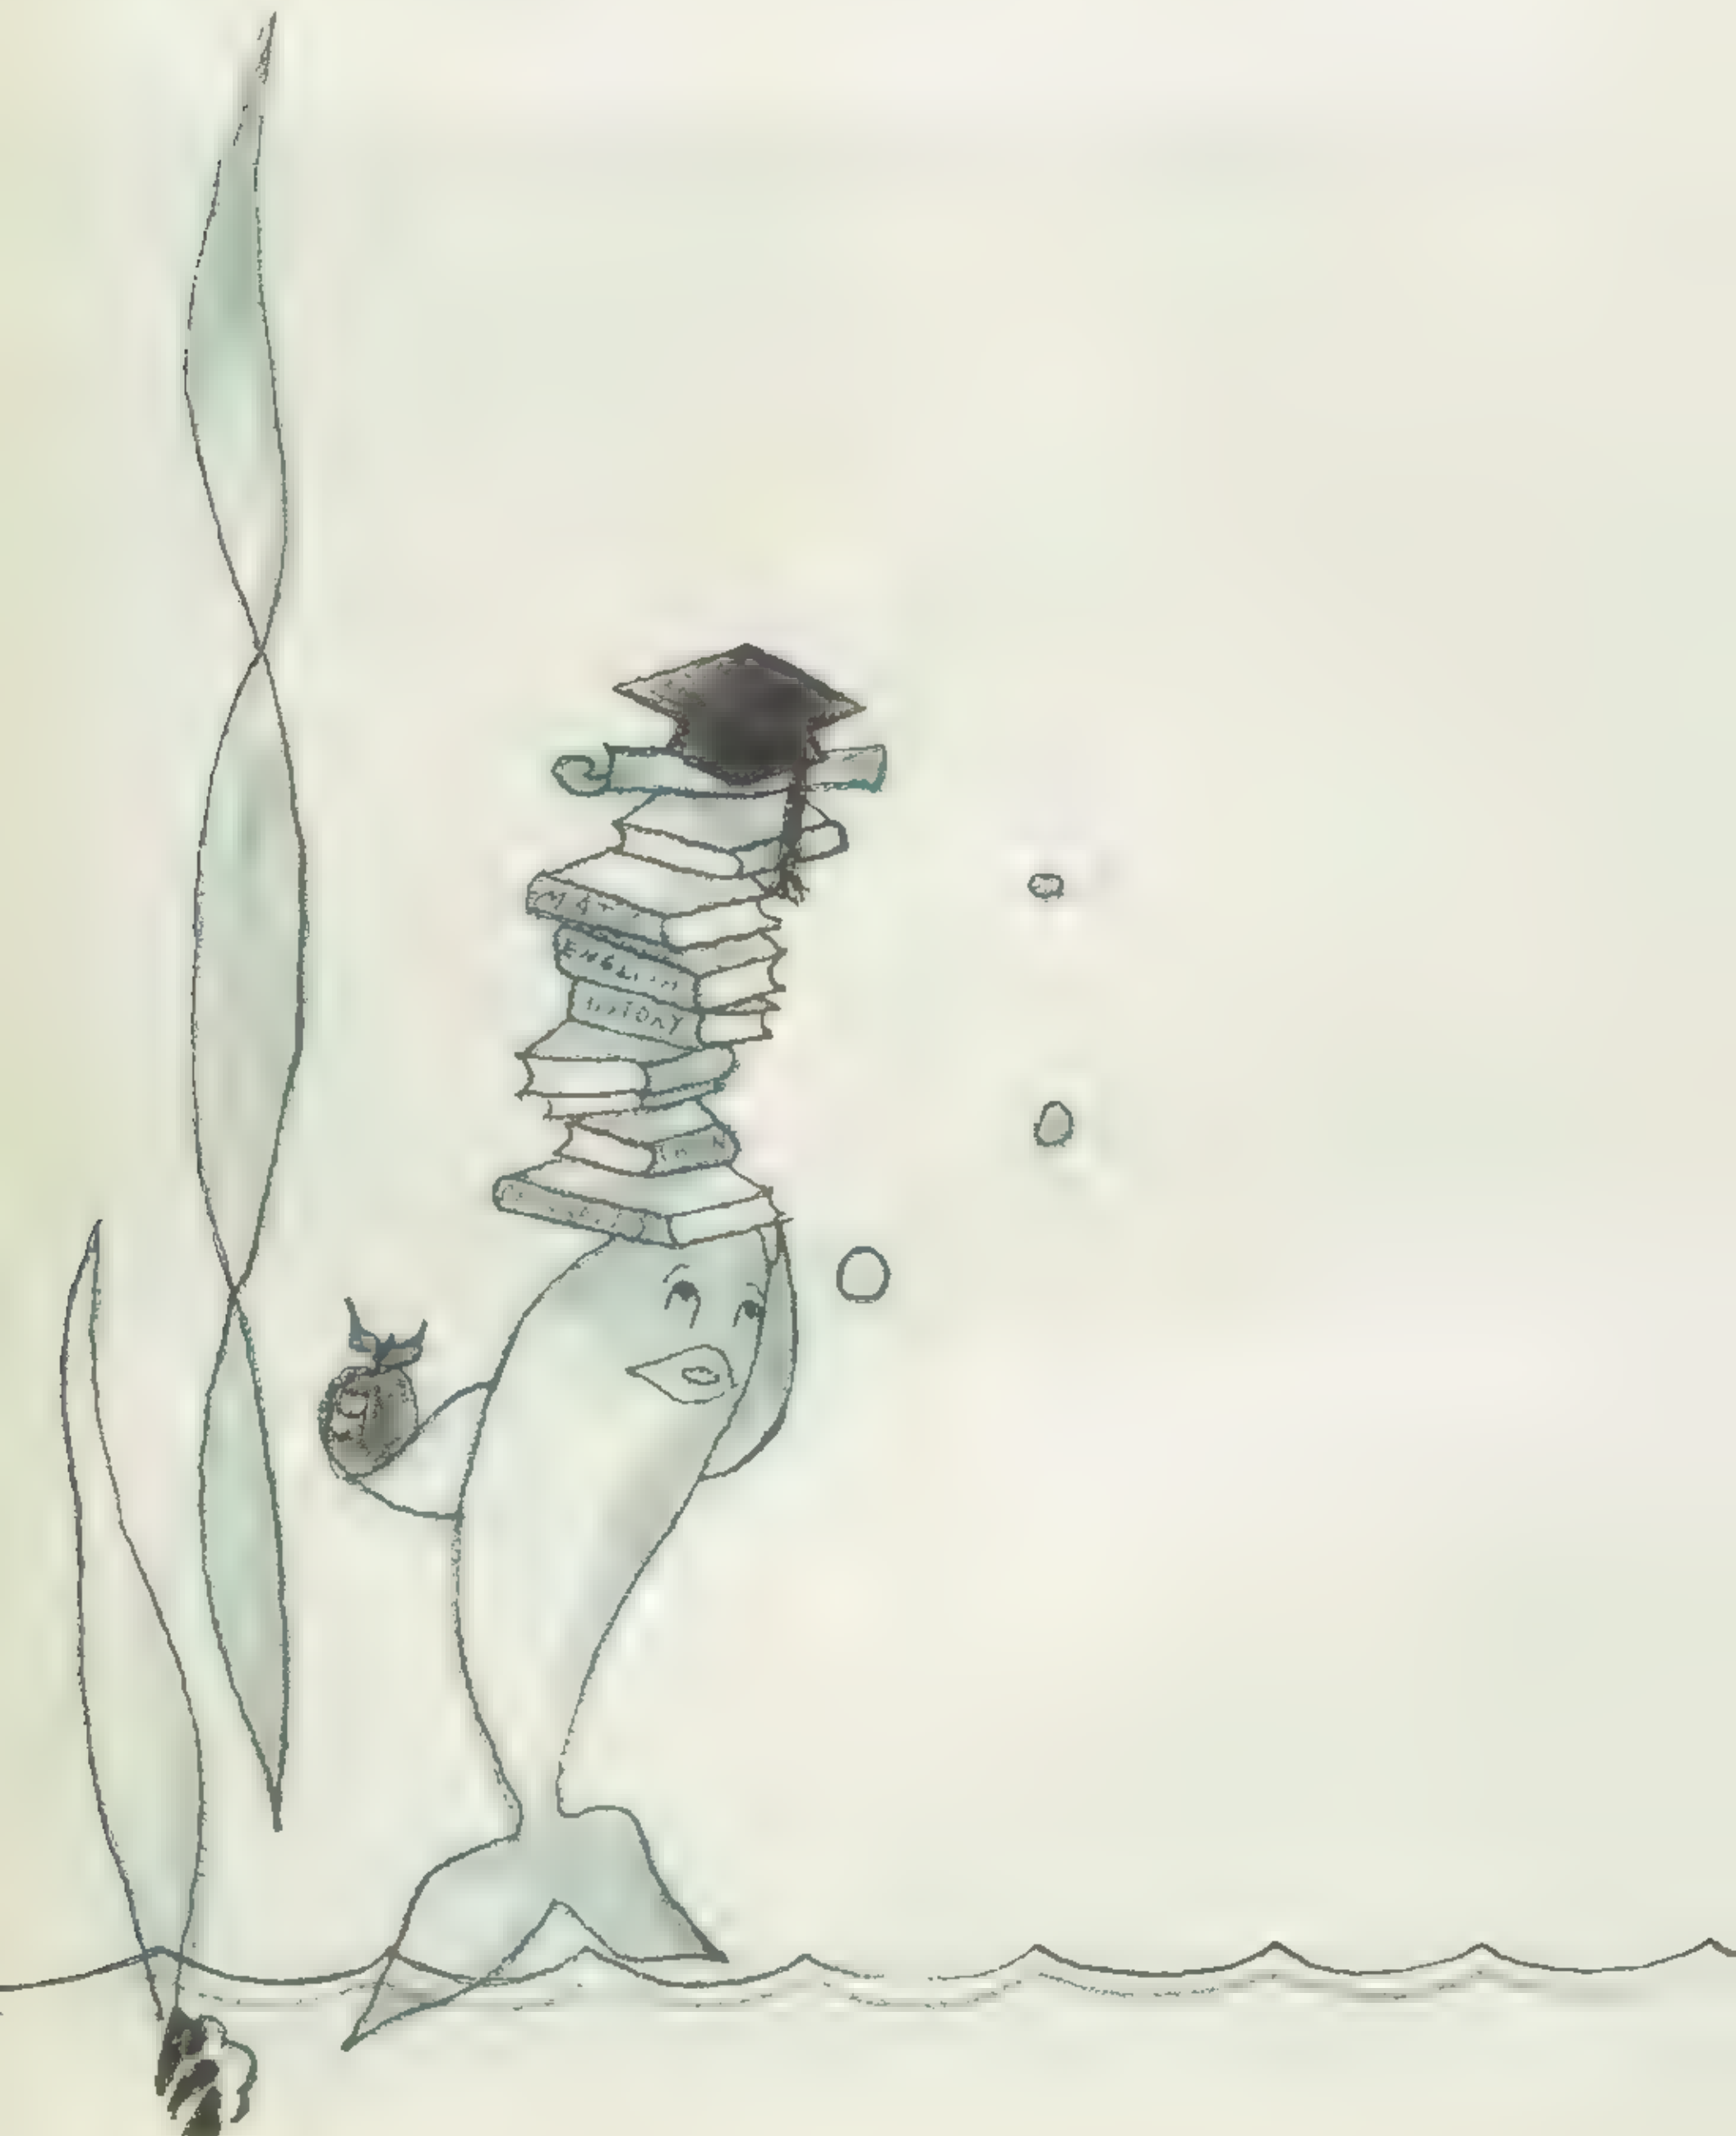

### PEP RALLIES

Pep rallies are sponsored by our student council. They give our student body and faculty an opportunity to show our teams that we are backing them. The skits are written and presented by voluntary groups of students. Yells, led by our cheerleaders, and participating speakers are also part of the program.

# SCHOOL

Streator Township High School was established for and dedicated to the educational growth and development of our citizenry. The fine graduates of this institution who have gone out into society and made a place for themselves provide conclusive evidence that these goals can be realized. It is our responsibility, yours and mine, to continue and improve upon the ways and means of realizing these aims and goals.

Only through knowledge and understanding can mankind improve upon the situations in which he finds himself. Opportunities to gain knowledge are provided by your high school. By working together and considering the problems facing our world today, we hope to develop a philosophy of life that will help you, the student, make intelligent decisions based on knowledge and understanding.

Only by taking advantage of the opportunities offered by your high school can you realize the aims and goals set forth in the philosophy of this institution to meet the educational needs of the people of this community and make available opportunities for improving their cultural, civic, and economic life.

It has been a very enjoyable experience to have been your class sponsor for these four years. Your high school education is completed. You will now go your separate ways, but the class of 1961 will continue to be held together by the many pleasant memories of your associations with each other at S.H.S.

Spend your time wisely so as to have a full life in whatever undertaking to which you aspire. You have the foundation of knowledge. A successful life, however, will come not by this knowledge alone, nor by possession, but by wise use of time and talents which will lead you into the world, to self-knowledge, and participation.

I wish for you, the Class of 1961, the best that the world has to offer, as I am confident that you will offer your best to the world.

## *The Review*

The REVIEW, the school newspaper, is put out by the journalism class. This bi-weekly paper is prepared by the students themselves and contains news items on sport events, club activities, projects, student honors, dances, and also gossip.

Journalism is a senior elective open to students with a B or better average in English. Each student is required to be editor at least once. The newspaper serves not only the school and the community, but also is an outlet for those interested in journalism.

## School Band

Last summer the highlight of many years' work was reached when the S.H.S. Concert Band went to Miami Beach, Florida, for the International Kiwanis Convention. Along with numerous activities throughout the year, the band reached the climax of a winter's practice when they participated in class AA contest on April 15 and May 6.

## *Girls' Chorus*

The Girls' Glee Club also sends an ensemble to contest in the spring and participates in spring and winter concerts. Under the capable and untiring direction of Mr. John Rouillard, the Music Department of S.H.S. has completed a successful musical year.

FRONT ROW: J. Lynch, M. Suderman, K. Beckman, N. McLeod; SECOND ROW: P. Dax, Terry, S. Briner, S. Matas, S. Gotch, S. Ross, L. Heitz, K. Berry; THIRD ROW: B. Stone, S. Sopher; ABSENT: D. Roffman, R. Friend, B. Dominic

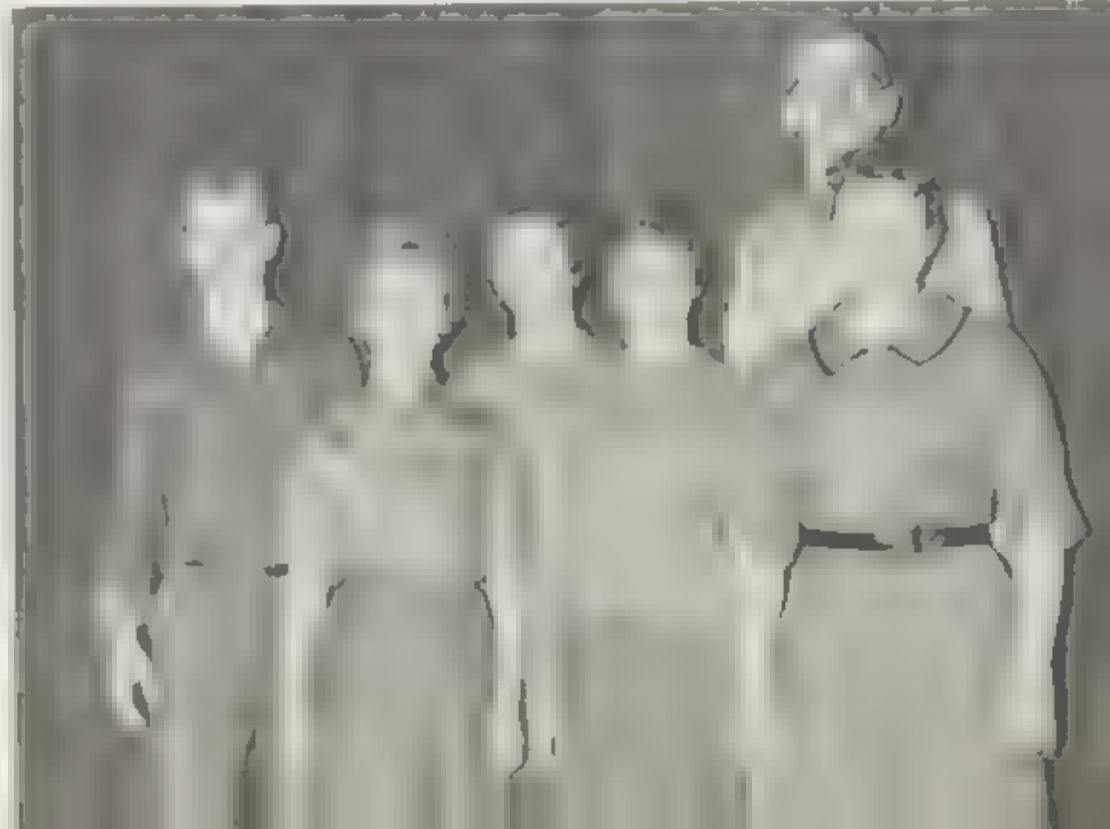

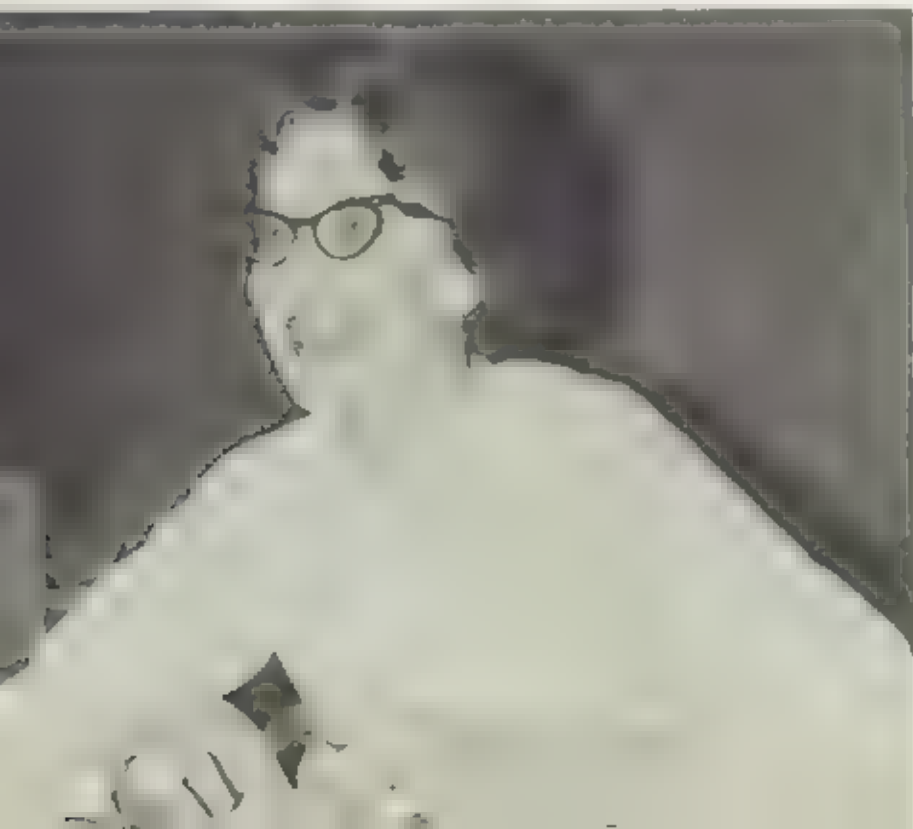

## *Thespians*

Thespian Troupe 1677 is Streator High School's dramatics club. Membership in this organization is earned through points which are given for active participation in dramatics. After a student has earned ten points, he becomes a life-long member of this national society. These points may be earned by participating in the fall or spring plays, ushering, or helping with props, make-up or lighting.

This year the club sponsored two all-school plays, "A Murder Has Been Arranged" and "Our Town," and also presented a Christmas program entitled "The Littlest Angel." Plans are now in progress to hold a Theatre Banquet at the end of the year, when honors and awards will be given.

## *Student Council*

With each home room's election of its Student Council representative, a student becomes a part of the governing body which has as its heart the welfare of the school. This governing body carefully considers new policies and projects which will make high school life more enjoyable, more efficient, and more meaningful. The Student Council is the bridge between the administration and the student body, coordinating the suggestions and wishes of both.

MR. RITCHER

Under the direction of Mr. Ritcher and Mrs. Patterson, the Science Club promotes research in all fields of science through the development of individual science projects. Each club member is required to enter his project in the local Science Fair and the District Science Fair. Winning projects at District advance to the State Science Contests, which are held at the University of Illinois. No officers were elected this year.

## Future Teachers

The Future Teachers' Club at S. H. S. functions for the sole purpose of enlightening young people about the problems and eventual rewards of the teaching profession. At regular meetings of the organization, the group plans its activities for the year. This year these activities have included visits to a local grade school and a university, and a visit from a guest speaker.

The club's money-making projects have included the sponsoring of a candy sale and of a movie in the auditorium open to the public.

## *Wizz Jr.*

WIZZ Jr., now in its seventh year, is a unique club in that it completely sells, writes, produces, directs, and engineers a weekly one-hour program through the facilities of WIZZ. The different departments that make up WIZZ Jr. are organized so that the members can gain useful knowledge of the broadcasting industry.

This year the club has sponsored a dance and looks forward to its annual spring trip. All in all, WIZZ Jr. is one of Streater High's most active organizations.

## Tumbling Club

The Tumbling Club is a relatively new co-recreational organization within the school open to any and all students. Participation in the group develops coordination and timing through the various stunts and tumbling activities performed. The club presents exhibitions for any organization which so desires its services with performances in conventional tumbling (as pictured at the left), maneuvers on the parallel bars, and stunts employing the use of a miniature trampoline. The club has its sights on acquiring new equipment for years to come in order that it can produce even bigger and better performances.

## Chess Club

The Chess Club, sponsored by Mr. Ahearn, is in its second year of operation at Streator High. This year the membership has more than doubled to include over fifty students. The only membership requirement is that a student be interested in chess and willing to come to the meetings to learn more about the game. Special instructions are held after each business meeting to teach the beginners the basic moves, then an additional move is taught at each meeting so that by the end of the year everyone is an expert. This year, under the guidance of Russ Ahearn, the Chess Club has become one of the best at SHS!

## Varsity Football

COACH ASHWORTH

The Bulldog team this year was never badly beaten and, by playing the fine ball which is typical of Streator High teams, created a very interesting season.

The first game of the season was a loss to Marquette with a score of 19 to 7. In the second game of the season the Bulldogs defeated Hall 21 to 7. Next, Kewanee defeated Streator 14 to 12, and then Ottawa defeated Streator 19 to 12. The Bulldogs then beat Sterling 40 to 7. DeKalb beat the Bulldogs 13 to 7 in the sixth game. Ending the season, the Bulldogs beat Dixon 27 to 0 and St. Bede 21 to 20. The final record was four wins and four losses.

## Cross Country

Since only one varsity letterman, Marvin Carby, returned this year, the Cross Country squad was forced to undergo a rebuilding season and did a very fine job of it. Although the won-lost record was not impressive, the squad of one letterman, two frosh-soph runners and four Harriers with no previous experience showed a great improvement and fine spirit.

Some fine individual records were also turned in by Marvin Carby, Individual Illinois Valley Conference champion, who missed the school record by only three seconds. With all but two runners returning next year and several experienced fresh-soph runners, Coach Patrick is looking forward to a successful season.

COACH  
Francis McInerney

Because of the addition of several sophomore players to the varsity squad during the 1960-61 basketball season, inexperience was a major factor contributing to the unsuccessful season in the won-lost column. As a result, the main part of the season was spent in the rebuilding and developing of the squad in the hope of producing a winning team for next season

## Sophomore Basketball

Although this season was unsuccessful in the won-lost column, this year's sophomore team was far from unsuccessful. There was great improvement from the beginning to the end of the season, which is success in itself. This team had fine morale, great spirit, and played as a unit. One of the greatest team efforts was that of beating Ottawa in an overtime, 43 to 41, which proved to be one of the most exciting games of the year.

At the start of the season most of the boys had little or no experience, the reason being that three of last year's freshman squad were moved up to varsity this year. The boys showed tremendous improvement, though, and the following boys will be a great help to the varsity in the years to come: Williamson, Mance, Hart, Dzuris, Ramert, Swanson, Goddard and Coughlin.

## *Freshman Basketball*

Under the fine coaching of Coach Robert Jones, this year's freshman team turned in a winning season with an 8 and 7 record.

The freshmen's largest defeat came against a fine and powerful Ottawa team, when they lost by a 58 to 28 score. The largest win came against Marseilles, with a 47 to 29 score.

Although the yearlings lacked height, the good ball handling, fine maneuvers and high spirit carried these boys through a successful season. We can look for good things to come from this year's freshmen in successive seasons.

## Swimming

Although the Bulldog Natators had a record of eight losses and two wins, their outstanding performance created exciting meets throughout the season. The team spirit, enthusiasm, and determination were exceptional this year and should be the basis for a strong team next year.

During the season, two school records were broken, and one school and pool record was tied. Elwood Courtney set the S.H.S. 40-yard free-style record with a time of :20.1, and Terry Sopher set the S.H.S. 100 yard backstroke record with a time of 1:07.5. The 160-yard Medley Relay team of T. Sopher, D. Moore, D. Noon, and E. Courtney tied the school and pool record with a time of 1:32.8.

Ten team members competed in the District meet on February 18. Shown at the right are Coach Lundberg and the four natators who placed in the finals. Capt. E. Courtney placed fourth in the 50-yard freestyle, Capt. D. Noon placed sixth in the 100-yard freestyle, and T. Sopher placed fourth in the 100-yard backstroke. Ken Crosiar placed sixth in diving, thereby being the lone Bulldog swimmer to represent Streator at the State Meet on February 25.

## Wrestling

The wrestling team underwent a rebuilding season this year and a result could boast only a four and six record for this season. However, there were some fine individual records turned in by the experienced matmen. Both Bob Rubis and Bill Gotch went to state. Rubis, in the 145 lb. class, and Gotch, in the heavyweight division, were defeated in the first round of the state tourney. Rubis finished the season with a 17 and 5 record, the best on the team.

The prospects for next year are very bright as more than 2/3 of the grapplers will be returning. Also this year was the first time that wrestling received as many as the 50 candidates that reported at the beginning of the season. With these two facts in mind, an experienced squad returning and more people interested in the sport, wrestling should have a very bright future on the campus of SHS.

## *Cheerettes*

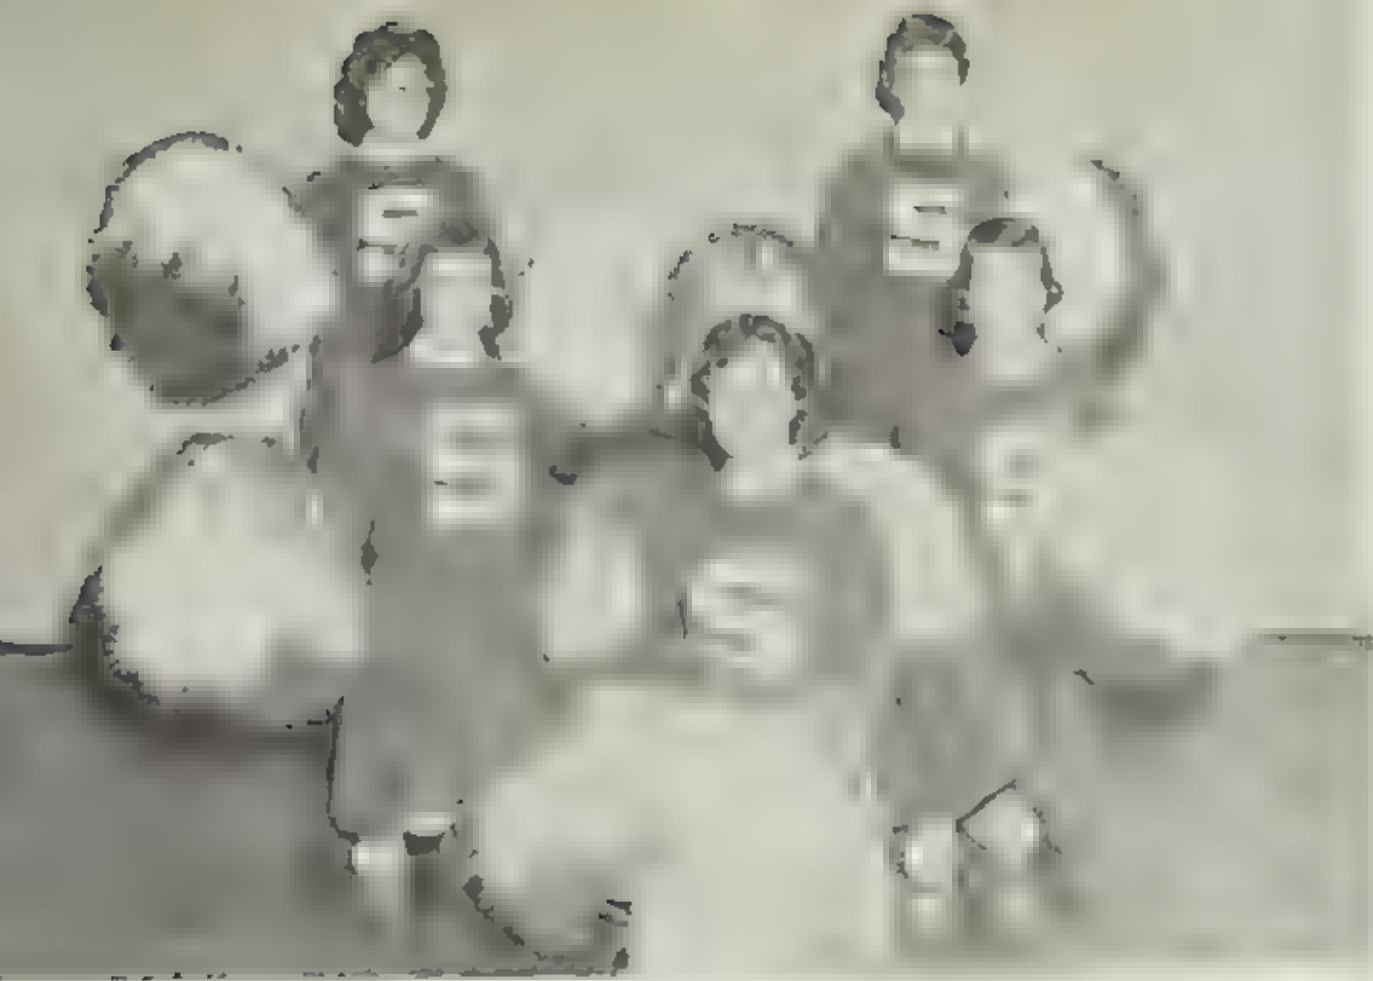

The Cheerettes, sponsored by Mrs. Stephens, were organized this year to promote school spirit. In addition to a monthly business meeting, the club meets each week to practice cheers with the cheerleaders. Their activities include selling muffins at the homecoming game and sweat shirts to the student body, and sponsoring a series of cheerleading clinics for girls interested in trying out for cheerleading.

## *Student Government Day*

The annual Student Government Day was held this year on March 27. Due to the excellent cooperation of the Student Council and the city officials, this day was acclaimed the best yet.

S.H.S. students who were elected as city officials were Mayor Dave Roffman, Police Magistrate Lee Smith, and Commissioners Linda Schmoeger, Ron Sopko, Ted Schmitz, and Otto Giesholt.

Streator's baseball team had one of its most brilliant seasons in years under Coach Jack Stephens. Eighteen boys finished the season with a 9-2 record. Among its achievements for the year were the Illinois Valley Championship, the District Championship, and the Regional Championship. Because the team is losing only five seniors this year, next year's team will be comprised of boys with both enthusiasm and experience.

## *Golf*

For the second year in a row, the SHS golf squad, under the direction of Coach Gene Barnewolt, has ended a season undefeated. The squad has compiled a record of 12 wins, a tie, and no losses. This year the team will lose four of its top men, but it has other underclass talent in reserve. The graduating 5 men this year are Jack Babey, Art Wargo, and Milan Wargo.

FIRST ROW: Bob Clayton, Al Dodge, John Babey, Bob Abdour, Dick Sternberg. SECOND ROW: Coach Barnewolt, Milan Wargo, Art Wargo, Jack Babey, Al Goddard, Dan Dobberpuhl

## Track

The 1961 track team has done quite well this year, having participated in the District meet, I.V. meet, and the NCIC meet as well as many other meets.

At the DeKalb Relays, Frank Wargo placed fifth in the discus. Ray Stinar broke the school high jump record previously held by Bob and Ron Goerne at 6' 1" by jumping 6' 1½".

The most consistent point winners for the Streator team were Frank Wargo, Jerry Westwood, Captain Jim Telford, Ray Stinar, and Don Cinnamon.

The track team won dual meets over Pontiac (62½-55½) and Ha (85½-31½). Kankakee beat Streator 83-35. In the NCIC meet Telford won the broad jump at 20' 2½" and Westwood placed fifth in the low hurdles. In the three triangular meets in which Streator participated, the scores were as follows:

Ottawa	37	LaSalle-Peru	81	S.H.S.	30
St. Bede	47	Marquette	58	S.H.S.	43
Marseilles	35½	Dwight	59½	S.H.S.	53

TENNIS—1961: M. Ashworth, B. Matthews, D. Schneider, M. Eckstein, R. Swanson, C. Schramm, R. Cripe, K. Barr, G. Daugherty, D. Moore, Coach Ashworth, Absent: A. Carlson, M. Myers.

Improving over last year's record and completing a winning season, this year's tennis team was one of the strongest in Streator High School history. The team compiled a record of six wins and four losses, achieved sixth place in the district, and placed second in the I.V.

The squad had good depth with eight of its members competing in varsity competition. Since eight of the team's members are underclassmen, Coach George Ashworth is hoping for even better results in the future. The squad will be losing the services of its first and second men, Art Carlson and Bob Cripe, who will graduate.

# *Senior High Citizens*

The Senior High Citizens is a group of ten senior men that are chosen for membership by possessing high qualities of leadership, scholarship, and true interest in contributing their time and energies to their school and community. It is the purpose of the organization to stimulate further interest in its members to actively support civic work in their community. By participating in the activities of this group, the seniors pledge through their creed that "... we can benefit ourselves and others by becoming well-rounded individuals and productive citizens of our present and future communities."

### *Valedictorian*

Karen, valedictorian of the Class of 1961, has proven her scholastic abilities and has also shown a definite interest in other phases of high school life. She was a member of the Latin Club, Chess Club, Hardscrabble staff, and took an avid interest in Dramatics, being a member of Thespian Troupe 1677 and participating in the all-school play, "Our Town." Karen has taken hold of her fine talents and has used them to benefit her interests for the well-being of her school and friends in the Graduating Class of 1961.

### *Salutatorian*

Ron transferred from Hoopston High School during his junior year and in these past two years has proven over and over his scholastic ability, but he has also found time to be an outstanding citizen and leader. Ron was a member of the Student Council, parliamentarian of the Latin Club, treasurer of the Chess Club, and a member of Thespian Troupe 1677. During his senior year, Ron gave much of his time and talents as a member of the Senior Citizens and as technical director of all dramatic productions at SHS. He was chosen to represent Streator at the Boys' State Convention in the Summer of 1960. Ron has been an asset to Streator High School. His fine abilities and outstanding interest in all activities have made him a fine member of the Graduating Class of 1961.
